RAMADHAN 2019 APPEAL

We have received suggestions from many brothers requesting that the second new dome be replaced with a Minaret on the new extension.

The estimated cost is **£35,000**, therefore brothers, sisters and families who wish to contribute towards this can do so by taking advantage of the reward during the blessed month of Ramadhan.

"Whatsoever you spend of anything (in Allah's cause) He will replace it. He is the best of those who grant sustenance."

Al-Ashraf Secondary School for Girls Ramadhan Appeal 2019

It is a great blessing and favour of Almighty Allah that he has enabled us to establish our Muslim Schools in Gloucester. *Alhumdulillah*, our secondary school will be completing 25 years at the end of this academic year. We take this opportunity to thank the community for its continuous support since its establishment in Sept. 1994.

Masha-Allah, overall pupils perform well at GCSE and attain above local and national averages in most years. In addition to secular studies, we have a comprehensive Islamic curriculum with particular emphasis on nurturing of Islamic thoughts and habits.

Over the past few years, the school has undergone extensive refurbishment to its heating systems, Science Lab, ICT Suite, Library, Art Room and most recently, old windows have been replaced with double glazing windows. We are grateful to parents and everyone in the community for supporting our on-going appeals. May Allah (SWT) reward you abundantly in both the worlds, Aameen.

Once again, we request your support this Ramadhan ul Mubarak.

Al-Ashraf Secondary School is a community project serving a great Islamic cause. Every penny spent towards this, will Insha-Allah be an investment for the hereafter. *A nafil deed in Ramadhan is equivalent to a fardh deed. Your generosity is much appreciated, Jazakumullah Khair*
